Specific Gravity	0.9893
DOT	Not regulated
VOCs	0%
PH	9.0

HMIS Hazard Rating

Health	1
Flammability	0
Reactivity	0
Personal Protection	A

What the Pros Know

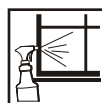

The special formula of this glass cleaner will dissolve greasy soils for easy removal. Alcohol moderates the drying time and provides a streak-free surface when polishing dry.

- Multi-surface cleaner - Use on glass, chrome, plastic & more
- Institutional strength - Removes smudges & greasy fingerprints
- Non-ammoniated - Effective cleaner without harsh odor
- Fast drying - No streaks, no film
- Non-static - Repels dust
- Mild floral fragrance - Pleasantly scented

Cleaning and polishing glass, plastics, reflective surfaces, metal and other non-porous surfaces is made easy with this product. It is fast drying and does not require rinsing (except on food contact surfaces). Anti-fogging properties provide a clear surface after each use. Its non-ammoniated design eliminates harsh smells as this product removes greasy soils. Simply spray on, wipe off with a clean cloth and polish dry. The surface will sparkle without film, streaks or smudges.

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

This cleaner is ready to use. Spray on, wipe clean and polish dry with a clean, dry, lint free cloth.
