

# NAVIGATOR

Portable Dilution System

**NAVIGATOR  
SPRAYER/  
FOAMER**  
delivers  
economy and  
flexibility in a  
versatile and  
convenient  
foaming,  
spraying, and  
rinsing system.  
Now you can  
take dilution  
control  
anywhere!

## FEATURES

- Unbeatable versatility, foaming spraying and rinsing functions in one device. Choose either the foaming or spraying nozzles to apply a rich foam or spraying solution then disengage the chemical concentrate for rinsing using the integrated switch-to-rinse toggle.
- Easily select either a wide-angle spraying pattern or powerful jet-stream simply by rotating the rinse-pattern selector.
- Mobile: Take it anywhere! You don't need to attach it to a wall or buy a cart – it goes anywhere you can find water!
- Includes AccuPro Pressure Regulation Technology (patent pending): Your dilution rate is always consistent, across a wide range of water pressure, and your product performs as it should!
- Handy On/Off Trigger: Easy to operate with one hand
- Convenient locking button: Activate the Navigator Foamer/Sprayer with the On/Off trigger, then lock it in the “On” position – all with one hand!
- Large handle: For safe, sure gripping.
- Easy connections to water source: Use the optional Quick Connect for quick and easy access to almost any water source.
