

NAVIGATOR

Portable Dilution System

NAVIGATOR PORTABLE DILUTION SYSTEM

offers a low-cost, portable solution for accurately diluting concentrated cleaning products. For filling mop buckets, sinks, auto scrubbers, tanks, spray bottles, and other containers.

FEATURES

- Mobile: Take it anywhere! You don't need to attach it to a wall or buy a cart - it goes anywhere you can find water!
- Includes exclusive E-gap eductor technology: ASSE 1055-B approved eductors eliminate back-flow and regulatory concerns.
- Includes AccuPro pressure regulation technology (patent pending): Your dilution rate is always consistent, across a wide range of pressures. Cleaners perform as they should!
- Handy On/Off trigger: Easy to operate with one hand, accommodates hands of all sizes.
- Convenient locking button: Activate the Navigator with the On/Off trigger, then lock it in the "On" position - all with one hand!
- Built-in hanger: Allows you to quickly and easily attach the dispenser to your bucket, scrubber, or spray bottle.
- Large handle: For safe, sure gripping.
- Easy connections to water source: Use the optional Quick Connect for quick and easy access to almost any water source.
- 3.5 gallon flow rate.

USE IT ANYWHERE

There's an application for Navigator PDS in almost any cleaning environment:

- Full Service Restaurants
- Food Service
- Quick Serve Restaurants
- Facility Management
- Convenience Stores
- Retail Stores
- Health Care
- Malls
- Building Service Contractors
