

NAVIGATOR

Dilution Control System

Product Description

Infinity Glass Cleaner is a highly concentrated glass and light utility cleaner that dissolves, suspends and removes soil from glass and other hard surfaces. This product is environmentally preferred, effective and leaves no residue there by helping to prevent re-soiling. Glass and Surface Cleaner can be used in a spray and wipe or sponge and squeegee application and contains no ozone depleting compounds and is non-toxic to aquatic life.

Infinity Glass Cleaner has been 3rd party certified by Green Seal™ according to GS-37 Environmental Standard.

Why It's A Better Cleaner

- Highly concentrated - Multiple applications
- Film free - Helps prevent re-soiling
- Contains no ozone depleting compounds - Safer for the environment
- Non flammable, non combustible - User friendly

How It Cleans

This product is formulated to work effectively with cold water. Cold water is recommended to help save energy used to heat water.

1. Dispense precisely diluted glass cleaner into an empty and properly labeled Navigator RTU #25 Infinity Glass Cleaner container.

2. Apply solution to surface to be cleaned.
3. Allow this product time to penetrate and disperse the soil and contaminant.

4. Scrubbing with a sponge, cloth, pad or brush may speed up the cleaning action.
5. Once soils are loosened simply wipe or wash away with a cloth or water. No rinsing is necessary.

25 INFINITY GLASS CLEANER

Where It Cleans

Infinity Glass Cleaner can be used for a wide range of applications such as glass, mirrors, chrome, stainless steel, Plexiglas, formica, plastic, windows, aluminum, glazed porcelain, enamel, appliances and virtually every hard surface. An ideal product for the lodging, health care, state and federal offices, restaurants, cafeterias, institutional kitchens and industrial facilities.

Technical Data

Packaging (concentrate)	2/2 Liters per case
Product Number	13169
Physical State	Liquid
Color	Clear Blue
Odor	Low
pH	12.0 - 13.0
RTU pH	8.0 - 10.0
VOC's	< 1%
Foam Level	Low
Freeze/Thaw Stability	Excellent
Solubility in Water	Complete
RTU Yield Low-Flow	516 Quarts per case
RTU Yield High-Flow	129 Gallons per case

* This product meets the Green Seal™ environmental standard for industrial and institutional cleaners based on its reduced human and aquatic toxicity and reduced smog production potential.
* Este producto cumple con los requisitos de Green Seal™, en cuanto a su norma ecológica para limpiadores industriales e institucionales, según su toxicidad reducida para los seres humanos y la vida acuática y su potencial de smog restringido.

NAVIGATOR 2-Liter bottles are designed to be used in the NAVIGATOR Dilution Control System.
