

PULSAR

CONCENTRATED ALL PURPOSE CLEANER
LIMPIADOR MULTI-PROPÓSITO CONCENTRADO

Technical Data

Areas of Use

Emulsifying, all purpose, general cleaner and degreaser. No rinse required in most applications.

- Use on all surfaces not damaged by water
- General cleaning on laminates, cured paint, plastic, metal, aluminum, fiberglass
- Cleans most types of sealed floors. Not for use on marble and may dull resilient floor finishes

Specifications

Available Sizes	4/1G, 5G, 55G
Physical State	Liquid
Color	Green
Fragrance	Lime
Foaming	Low
Free Rinsing	Yes
Petroleum Distillates	None
Phosphates	1.3%
Viscosity	Thin
Specific Gravity	1.05
pH (undiluted)	13.5

HMIS Hazard Rating

Health	1
Flammability	0
Reactivity	0
Personal Protection	B

What the Pros Know

The strength of an all purpose cleaner should be balanced against the amount and type of soil to achieve optimum cleaning performance and cost effectiveness. The ability to emulsify is important in dissolving oily soils and lifting them from the surface.

- Positive emulsion formula cleans a wide range of soils - Multiple applications with a single product
- Conditioned for hard water - Clean with confidence, film-free
- True multi-purpose formula - Makes training easy
- Concentrated, versatile - Cost effective cleaner

Versatility, environmental safety and worker safety are built into this all purpose cleaner. It may be used to effectively clean floors, counters and any other surfaces not harmed by water alone. This product can be applied by trigger sprayer, mop or automatic floor scrubbing machines. This effective all purpose cleaner is ideal for the daily maintenance of schools, offices, institutions and other public facilities. It features "no-rinse" ease in most cleaning applications. The emulsifying formula makes it especially effective on oily soils.

Directions

Wear safety equipment recommended on MSDS, place Wet Floor Signs and read all directions and cautions prior to beginning your work.

Apply manually by spray & wipe, damp mopping, or through an auto scrubber.

Apply to the surface, allow to work, scrub, and then rinse thoroughly.

Heavy Soil: Dilute 1:12 (10 ounces per gallon of water)
 Normal Soil: Dilute 1:40 (3 ounces per gallon of water)
 Light Soil: Dilute 1:128 (1 ounce per gallon of water)
