

TEAM PLEASCENT CLEAN

FIBER ALL PLUS

PRETREAT & CONCENTRATED EXTRACTION CLEANER

Pleasant Scent

Technical Data

Specifications

Available Sizes:	4/1Gal
Physical State:	Liquid
Color:	Colorless
Odor:	Pleasantly Fresh
Base:	Detergent blend
pH:	9.0 - 9.8
Viscosity:	Water thin
Foam:	Moderate
Optical Brightener:	None
Phospahte:	None
2-Butoxyethanol:	None
Solubility:	Complete with water
Emulsification:	Excellent
Detergency:	Excellent
Rinsability:	Excellent
Biodegradability:	Complete
Storage/Stability:	1 year
Weight Per Gallon:	8.62 lbs.
Freeze/Thaw Stability:	Keep from freezing

What the Pros Know

Team Pleasant Clean formulated products provide a single uniform fragrance throughout your facility for consistent odor management.

Description

Now formulated to meet the stringent Carpet & Rug Institute's Seal of Approval for overall cleaning effectiveness, rate of resoiling, pH, surface texture change and colorfastness. This more environmentally responsible, anti-soil, multi-purpose carpet cleaner concentrate is a pretreat and extraction cleaner. Powerful, cleaning agents penetrates and lifts soils. Fiber All Plus is non-toxic, non-corrosive, contains no butyl, EDTA, phosphates, optical brighteners or volatile organic compounds (VOCs) as defined by state and Federal regulations. Team Pleasant Clean formulated products provide a single uniform fragrance throughout your facility for consistent odor management.

Directions

Wear safety equipment recommended on MSDS, read all directions and cautions prior to beginning your work.

Vacuum carpet thoroughly. Pre-test carpet for colorfastness in an out-of-sight area.

Pre-spray Application:

1. Pre-mix 8 oz. per gallon of water.
2. Pre-spray areas to be cleaned and allow a dwell time of 5-10 minutes. Do not allow carpet to dry.
3. Rinse with extractor removing chemical and soil.
4. Allow carpet to dry. Accelerate drying with SSS Air Mover (AM-2) as needed. Vacuum carpet thoroughly.

Extraction Cleaning: (500-600 square feet per diluted gallon is recommended coverage.)

1. Pre-mix 3 oz. per gallon of water.
2. Pre-spray areas to be cleaned with solution or use in the extraction machine.
3. Allow a dwell time of 5-10 minutes. Do not allow carpet to dry.
4. Extract with water, removing chemical and soil.
5. Accelerate drying with SSS Air Mover (AM-2) as needed.
6. After carpet has dried, vacuum carpet thoroughly (optional).

Truckmount Cleaning:

1. Mix 32 oz. per 5 gallons of water.
2. Meter at 3 gallons per hour.
3. Fresh water tanks: mix 1/2 oz. product per gallon of water.
