

SSS CLEAR DAY GLASS CLEANER

Features

- Nonammoniated Formula
- Heavy Duty Performance for Indoor or Outdoor Exposed Glass
- Quickly Cleans Glass, Mirrors & More
- 360° Valve Allows Can to Spray Upside Down
- Pleasant Fragrance

Description

This aggressive and versatile glass cleaner is specially formulated for outdoor and indoor glass surfaces. Quickly dissolves smudge, film, scum, smear, bug residue and other stubborn soils. The nonammoniated formula is pleasantly fragranced with a fresh and clean scent and is effective on hot or cold glass. The enriched white foam does not streak and is safe for use on window tinting, clear plastic, mirrors, and other glass surfaces. In addition, a unique 360° valve allows spraying in any position to reach even the hardest places and handle the toughest angles. Truly an outstanding all around glass cleaner for use in industrial and institutional settings, glass and mirror manufacturing, window installation, vehicle detailing, windshield replacement, marine/RV, and more.
