

SSS JOURNEY BASEBOARD STRIPPER

Features

- “The Next Generation Aerosol System”
- Professional Strength, Maintenance Products
- USA Patent Pending Formula Technology
- Advanced Propellant System Enables Ultra Low Total VOC Content
- 96% VOC Free, Water-Based, Nonflammable
- Aggressive High Foaming Fan Spray Clings to Vertical Surfaces
- Powerful Stripping Action Cleans Numerous Coats with One Application
- Pleasant, Light-Lemon Fragrance

Description

SSS Journey Baseboard Stripper is a special high foaming floor stripper formulation developed to let chemistry do the hard work of removing years of unsightly wax and buildup. Ideal for use on vertical surfaces such as: baseboards and kick plates not normally reached with water thin conventional liquid stripper applications. It is excellent also for spot stripping hard to reach vertical and horizontal areas where foot traffic is minimal: under desks, tables, counters, along walls, behind fixtures, etc. This heavy duty product leaves your floor ready for new wax to be applied. Multiple layers of buildup are quickly emulsified by chemical action for easy, speedy removal. Uses can be found in most any commercial setting including offices, institutions, hotels, hospitals, schools, public places and more.

TECHNICAL INFO:		
Physical Properties	Appearance	Foamy Spray
	Color	White
	Odor/Fragrance	Pleasant, Light-Lemon
	pH	12.5-13.0
	Spray Pattern	Fan
Environmental Profile	Glycol Ether Content	Yes (P Series)
	Biodegradability	Ultimate Biodegradability
	Chlorinated Solvents	No
	Recyclable Packaging	Yes
Regulatory Compliance	% VOC By Weight	4.0
	VOC Restricted Regions	None
	Food Processing Suitability	N/A
	EPA #	N/A
	Flammability per CPSC	NCAF
	NFPA Code 30B Storage Level	1
