

STERLING

Push Lever Roll Towel Dispenser

Low touch activation, easy maintenance, and no stub roll waste!

#52006

This stylish fixture has a roll transfer system that lets the roll almost load itself. Its patented design is water resistant and eliminates stub roll waste. Dependable and durable for all Away From Home applications.

USER SATISFACTION

- Ergonomic, easy activation
- Consistent, reliable performance

HYGIENIC PERFORMANCE

- Wide push-lever bar for palm or forearm actuation eliminates the need for fingers to touch dispenser

UPSCALE IMAGE

- Modern lines in a stylish black housing with translucent black smoke cover
- Quiet operation

EASY MAINTENANCE

- Featuring easy installation, easy access for loading and replaceable dispensing module

ECONOMY

- Rugged, durable unit with stainless steel door hinges for long life
- Replaceable dispensing module lowers repair costs

LOWER COST IN USE

- Adjustable towel length balances convenience and consumption
- Automatic stub roll exhaustion with self-threading transfer system that eliminates stub roll waste and double feeding

STERLING
