

OmniAir™

Continuous Odor Management System

- NO V.O.C'S
- NO PROPELLANTS
- NO BATTERIES
- Refill components completely recyclable
- Pure fragrance & odor neutralizers
- Promotes a clean & healthy environment

Your Single Source
for Sanitary Solutions

Why Triple S OmniAir™?

OmniAir offers the best continuous odor management with five fresh and consistent fragrances. **Controls odors for 60-90 days** - keeping restrooms smelling clean.

No batteries or moving parts provide noise free and trouble free operation. Refill components are **fully recyclable**.

No added Volatile Organic Compounds, no propellants - just pure fragrance and Countermax – the Triple S proprietary odor neutralizer that breaks down and eliminates malodors.

Easy installation - simply load a refill and snap dispenser cover in place. No single dispenser is as effective in areas up to 6,000 cubic feet (3-4 stall restrooms).

Provide your patrons with cost effective continuous odor management that is environmentally friendly and easy to use.

For maximum cost-effectiveness and ultimate patron delight, use the entire Triple S Touch Free Restroom Care bundle. Triple S delivers the solutions to help you provide a clean, safe and comfortable restroom environment for the users of your facilities.

Products marked with the Triple S EarthCare™ seal meet recognized green standards or have features that contribute to the preservation and sustainability of a healthy environment.
