

SS TRIPLE S Anti-Fatigue Mats

Foot Cushion

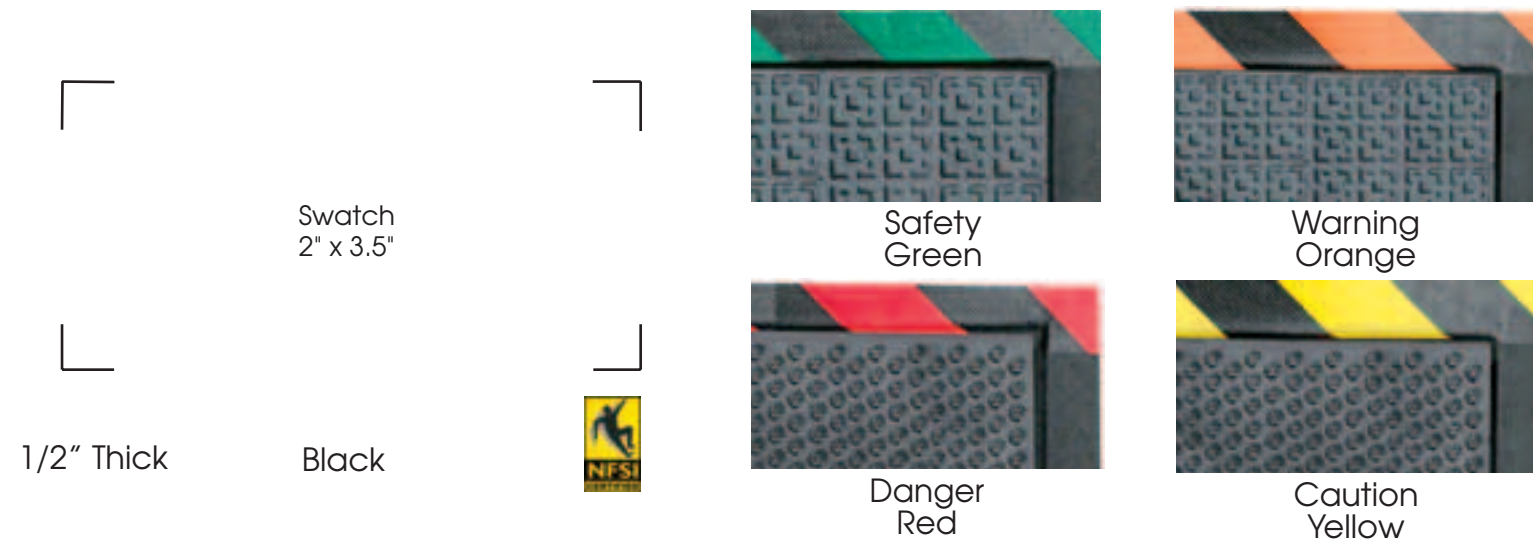

Resists most chemicals, cleans easily, insulates against cold and reduces noise levels. Anti-fatigue mat offers worker comfort and support.

3/8" Thick Charcoal Ribbed Charcoal

Happy Days

Low profile and beveled borders for added safety. Borders will not curl up and break off. Happy Days mats work exceptionally well to repel sparks and material fragments.

1/2" Thick Black

Easy Flow

Lightweight, easy-to-clean material outperforms most thicker, heavier mats. Beveled edges around the mat and a slip-resistant surface help minimize slip-and-fall accidents.

TRIPLE S Scraping & Absorbing Entrance Mats

Avant Guard

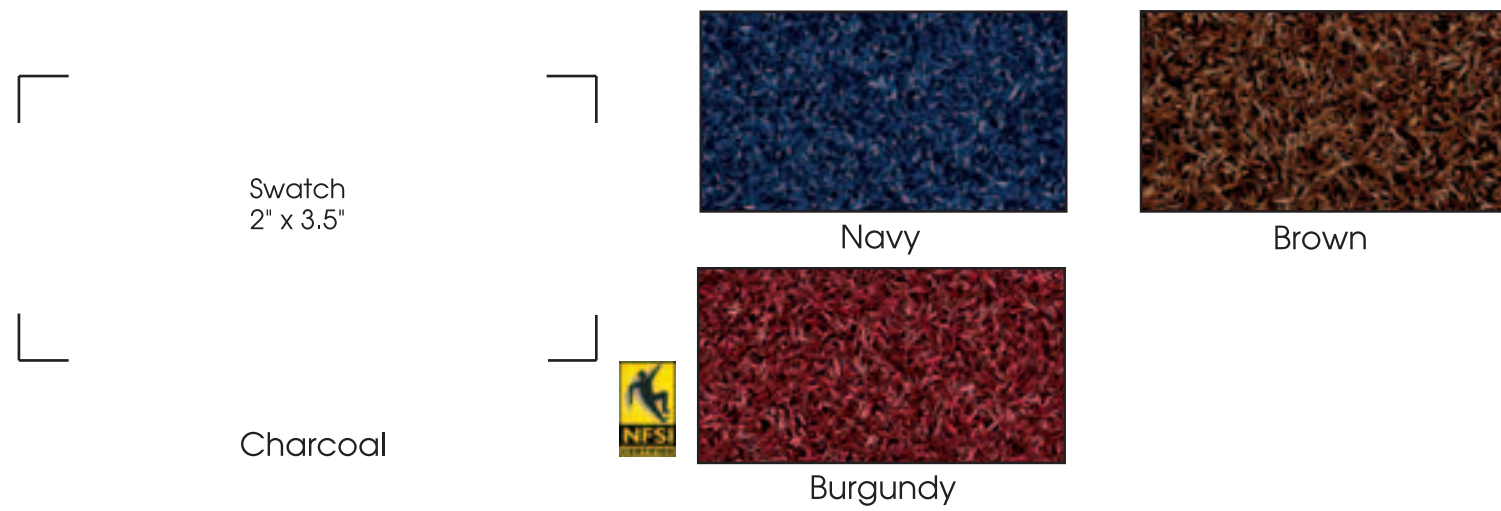

Unique ridged construction effectively removes and traps dirt and moisture beneath shoe level. Exclusive rubber-reinforced face nubs prevent pile from crushing, extending product life.

TRIPLE S Scraping Entrance Mats

Brush Clean

Premium fiber system allows fabric to dry quickly while preventing fading and rotting. Available in flat and gripper backing types.

Tuff Clean

Molded rubber treads provide anti-skid and anti-fatigue properties. Scrapes heavy soil from shoes.

Tuff-Tip

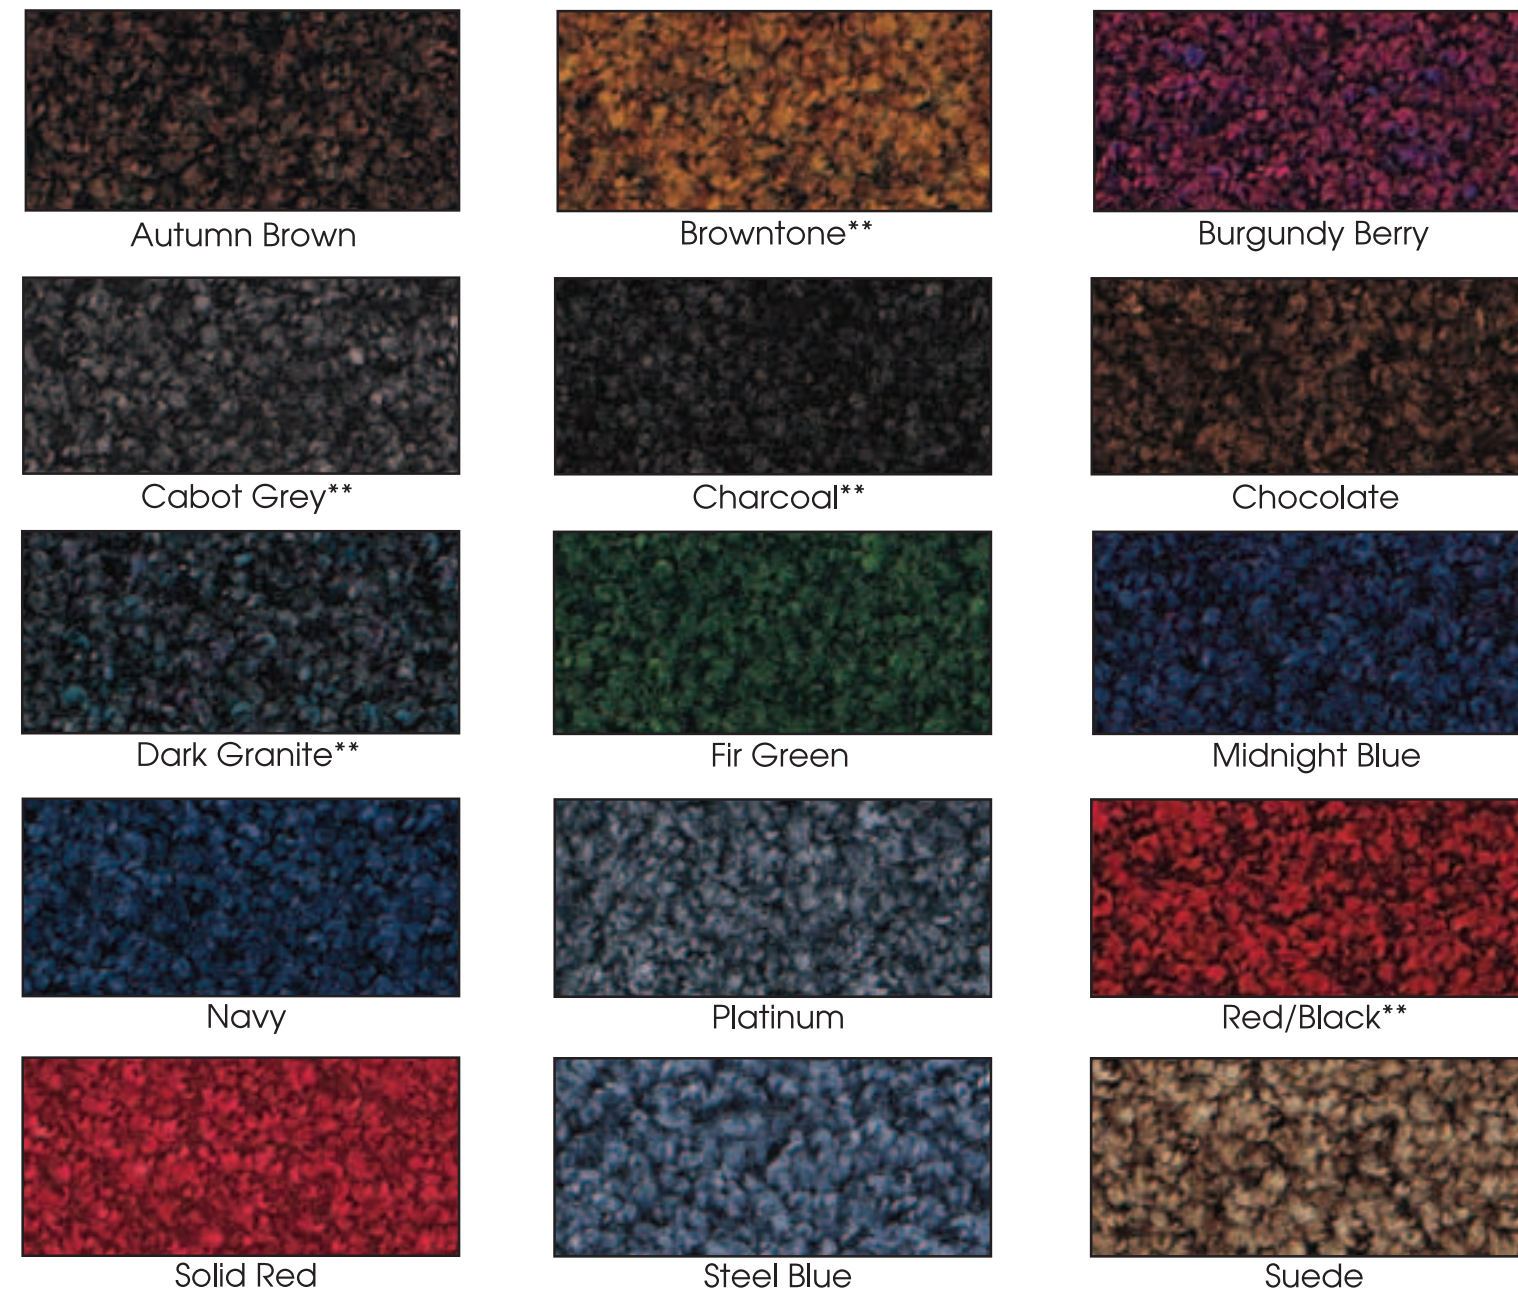

Two thousand finger-like tips per sq. ft. aggressively scrape soil from shoes. Solid 5/8" thick construction.

TRIPLE S Wiping & Absorbing Entrance Mats

Tough Grip with Cleated Rubber Backing and Step III with Smooth Vinyl Backing

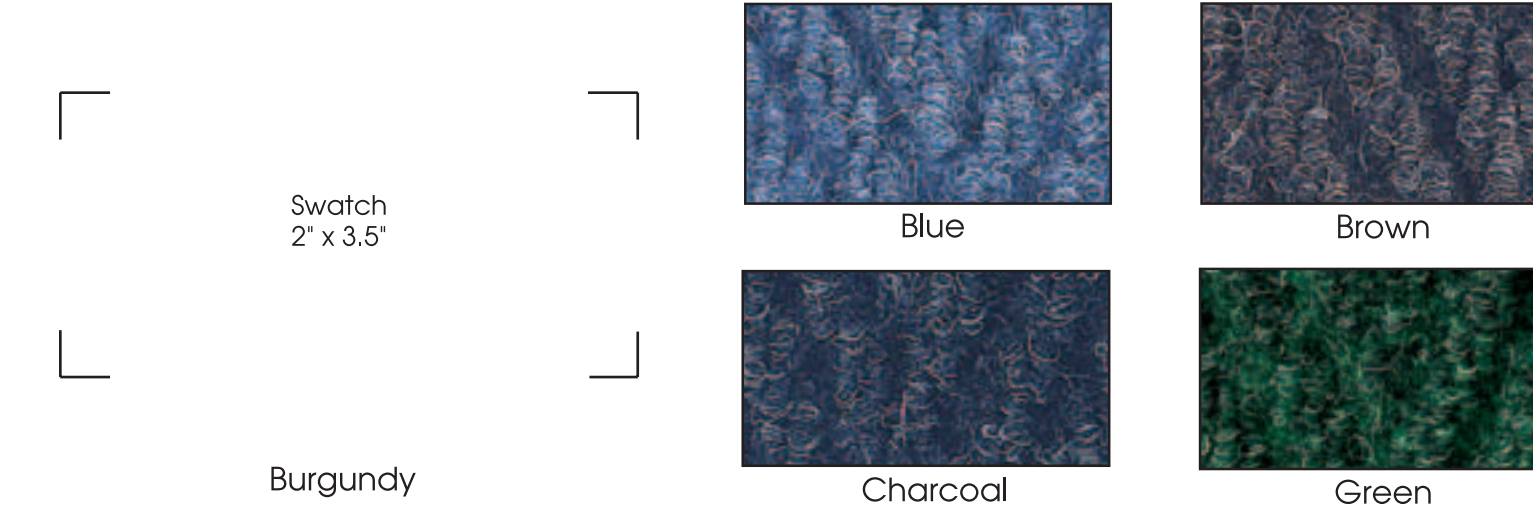

High quality continuous heat twist nylon has exceptional durability qualities. Even fiber height provides maximum scraping and improves vacuuming suction efficiency. Suitable for extraction and laundering.

TRIPLE S Wiping & Absorbing Entrance Mats

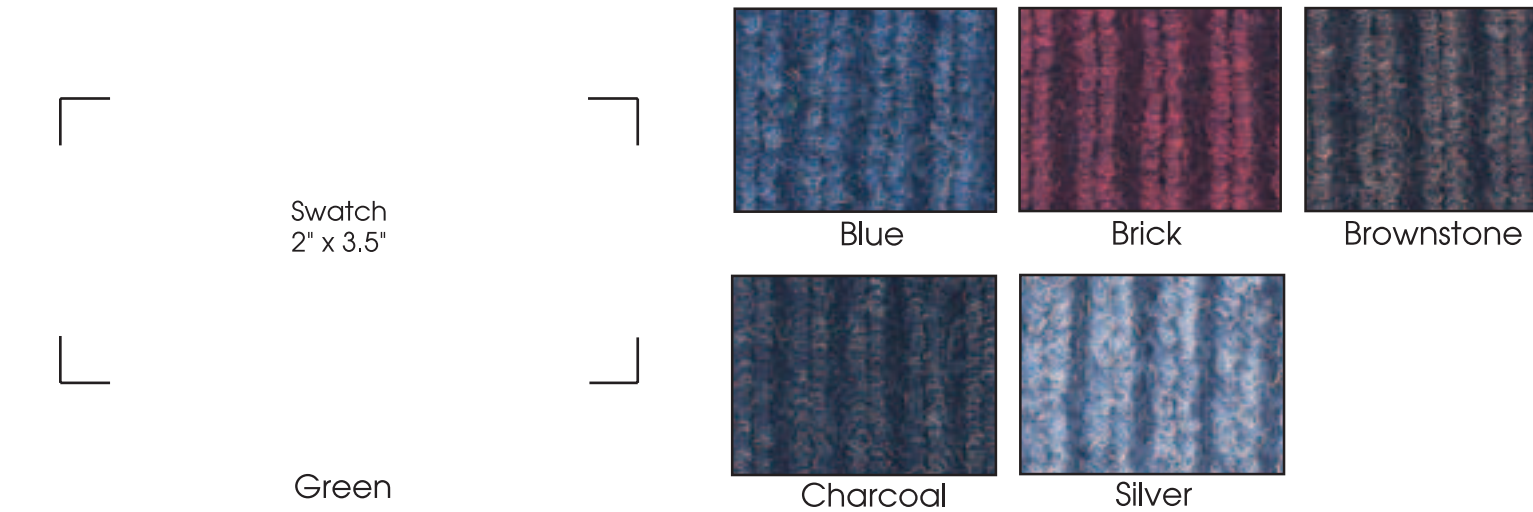

V-Mat

Highly efficient at removing soil and moisture from footwear. Raised design pattern collects and holds debris. Polypropylene fabric stands up to heavy traffic.

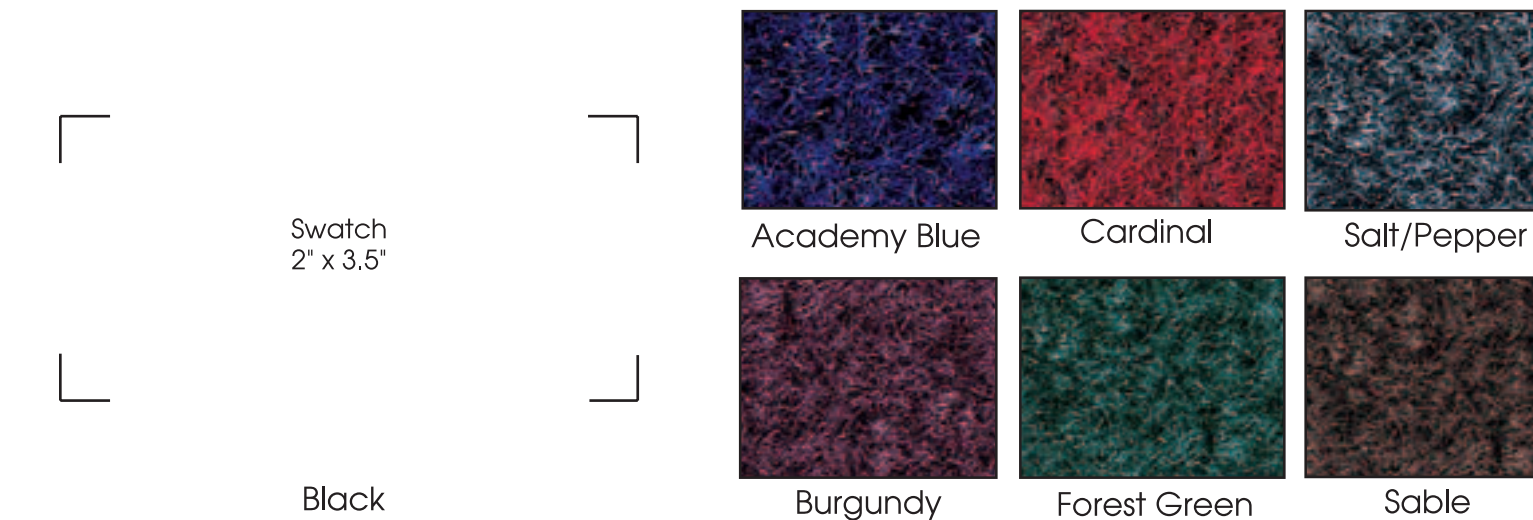

Walk-Off Mat

Multiple color options accommodate any decor. Moisture and soil are trapped in recessed areas until removed. Smooth non-skid backing is best suited for use on hard flooring.

Essex

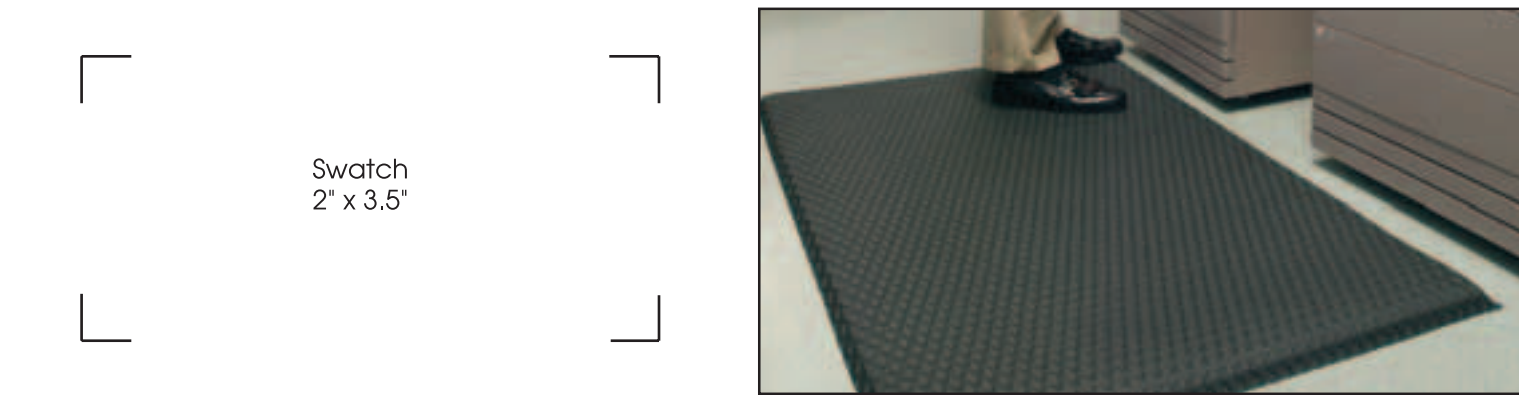

Wipes dust and absorbs moisture from feet in indoor locations. Smooth vinyl backing is non-skid on hard flooring surfaces.

TRIPLE S Slip & Fall Protection

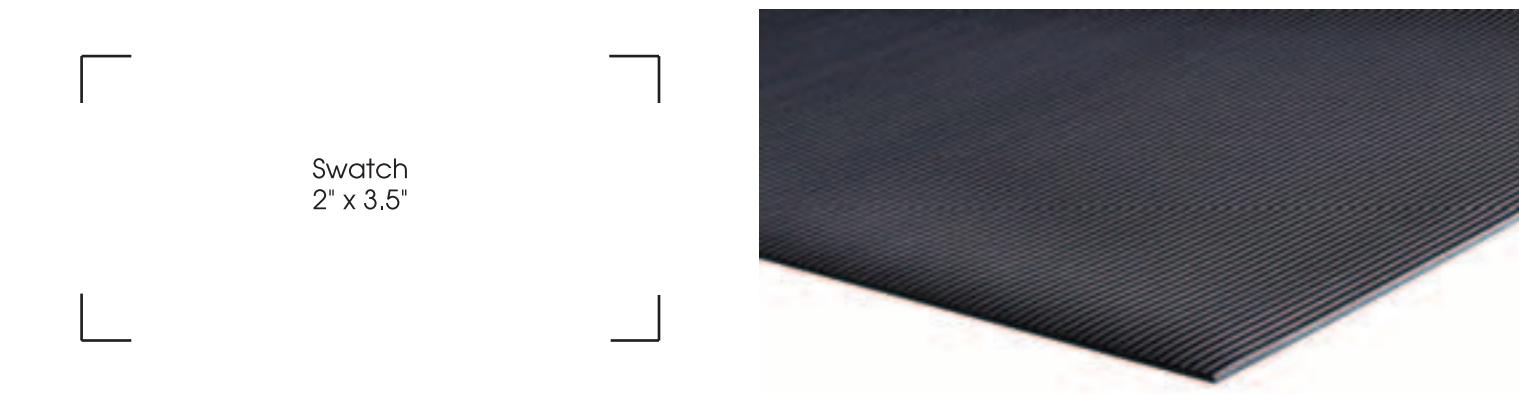

Blockade

Constructed of 100% Nitrile/PVC closed cell foam to provide superior anti-fatigue properties for employee comfort and ergonomic benefits. Durable diamond pattern helps to reduce slips and falls.

Rib Safe

Ribbed vinyl design for anti-slip protection. Molded-in ridges create a durable anti-slip surface. Ribs channel dirt and moisture for easy removal. Solid vinyl protects and insulates from cold floor.

TRIPLE S Anti-Fatigue Mats

7th Heaven

Solid Nitrile rubber surface for better chemical resistance. Textured Nitrile rubber surface for superior slip resistance.
