

Cleaner Floor... Greener Earth

New EarthCare Floor & Hand Pad Program from Triple S

Manufactured from 100% Recycled Content

The polyester in SSS EarthCare pads comes from post consumer and industrial recycled waste.

Water-Based Latex Resins

No phenol-formaldehyde resins are used in the binding process.

Recycled Packaging

All of our shipping cartons contain at least 45% recycled materials.

The Proof is in the Performance

For stripping, cleaning, polishing or burnishing, we have the pad. Only top quality materials go into our pads which result in top performance.

Just 12 two-liter bottles make a case of five 20" floor pads.

PT 2000 XHD Stripping Pad

For the heaviest duty stripping tasks. Extra heavy denier fiber, more abrasive grit and more open weave make this the ultimate stripping pad. Use on machines up to 350 RPM.

Super Strip 500 Black Floor Pad

Extra aggressive for the toughest stripping jobs. Use on machines up to 350 RPM.

Eco 1000 Maroon Strip-Prep Pad

Designed for fast, efficient floor finish removal without the use of harsh chemicals. Dense blend of synthetic fiber & heavy concentration of abrasive grit. Also ideal for repairing floors before recoating. Use on machines up to 350 RPM.

Pink Ninja Auto Scrub Cleaning Floor Pad

Aggressive cleaning pad to use with auto scrubbers. Removes light dirt and scuff marks. Highly resilient for prolonged use. Use on machines up to 1000 RPM.

PT 3000 XL UHS Maintenance Floor Pad

For burnishing soft floor finishes. May be used on a daily basis. Ideally suited for top dressing highly polished floors. Use on machines up to 3000 RPM.

Beige UHS Polythermal Floor Pad

For thermal buffing and burnishing. Ideal for frequent burnishing on soft to medium finishes. Use on machines up to 3000 RPM.

Champagne UHS Burnishing

For polishing or burnishing soft to medium finishes. This pad contains a combination of fine polyester fibers and rubberized binders, which promote an ultra high gloss finish. Use on machines up to 3000 RPM.

Aqua UHS Burnishing Floor Pad

Ideal for frequent burnishing. Recommended for soft to medium finishes. Use on machines up to 3000 RPM.

Rejuvenator Remover/Restorer UHS Floor Pad

This pad has been designed for daily burnishing on soft to medium hard finishes. Removes black heel or scuff marks. It restores a high gloss shine without scratching or deteriorating the finish. Use on machines up to 3000 RPM.

Maroon Dry Prep Conditioning Floor Pad

Specially designed to create a very fine cut pattern between coats on cured urethane finish, especially water based urethanes.

Natural Lite UHS Burnish Floor Pad

Blended polyester and natural fibers. For frequent burnishing on medium finishes. Use on machines up to 3000 RPM.

Natural Poly UHS Floor Pad

Ideal for frequent burnishing on medium to hard finishes. Use on machines up to 3000 RPM.

Natural Fiber UHS Burnish Floor Pad

This pad contains a high content of natural fibers. Ideal for minimal burnishing on hard finishes. Use on machines up to 3000 RPM.

Natural Extreme UHS Floor Pad

For ultimate results when burnishing the hardest finishes. Blend of natural fiber and polyester with the majority natural fiber. This pad provides the optimum "wet look" finish. Use on machines up to 3000 RPM.

Standard Floor Pads

Available in Black Stripping, Brown Stripping, Green Scrubbing, Blue Cleaning, Red Spray Buff, White High Lustre Polishing and Tan Buff-Polish.

Twister Floor Pads

Twister pads contain billions of microscopic diamonds which clean and polish floors mechanically instead of using chemicals. Can be used on most common floor surfaces such as terrazzo, natural stone, and concrete. Use on machines up to 3000 RPM.

Hand and Utility Pads

Hand Pads 6" x 9" Available in: Light, Medium, Heavy and X-Heavy Duty. Utility Pads 4½" x 10" Available in: Light, Medium, Heavy, X-Heavy Duty and Eco 1000 Maroon.
